

AIR LEASING

YOUR PARTNER FOR GLOBAL CORPORATE SERVICES

Soaring ahead in the aircraft leasing industry, our full suite of aviation services allows your business to fly, wherever you are in the world.

About Us

Centralis specialises in providing a wide range of corporate, general management, accounting, risk management, debt administration and infrastructural support to multinational organisations, private equity houses, aviation leasing platforms, international fund structures, real estate firms and private individuals. With a team of highly-driven specialists, we are able to offer the best outsourcing and cross-border structuring solutions across diversified areas of business expertise.

Our Values

We appreciate that you are looking for more than just a service provider. You need a partner with exemplary technical know-how, a can-do attitude, integrity and unrivalled communication skills. Centralis delivers all of this and more, providing tailored solutions to even the most demanding clients.

We are committed to building lasting relationships and with this in mind, take the time to understand your business and values. Each client is different and our flexible, individual approach, with dedicated points of contact, allows us to deliver personalised solutions every time.

Ireland

Ireland is the global centre for aviation financing and leasing with a large number of the world's leased aircraft managed from Dublin. This is due to a number of factors:

- A competitive corporate tax and VAT regime
- Access to favourable tax treaty network
- Tax depreciation of 12.5% straight-line
- No stamp or capital duty
- No thin capitalisation rules
- Aircraft can be registered with the Irish Aviation Authority
- Ireland is a signatory to the Cape Town Convention
- Strong advisor network with relevant expertise
- Proven track record

At Centralis Ireland, we have experienced staff who can assist you in the implementation and ongoing management of your aviation leasing vehicles/platform with the provision of quality service at an attractive fixed price.

We understand that you are looking for more than just a service provider and our team of highly-qualified experts are able to deliver innovative, customised solutions that will exceed your expectations.

Treasury Outsourcing

By fully understanding your business needs, our corporate treasury specialists are committed to delivering efficient, customised solutions. Our experienced professionals take care of your front and back-office treasury activities, including:

- Cash and liquidity management
- Inter-company loan administration
- Netting
- Treasury accounting and reporting

With our in-depth treasury expertise, our bespoke services enable you to focus more on company strategic activities as operational treasury matters are removed from day-to-day operations.

Corporate Services

As a market leader, our experience and expertise ensures that clients can rely on Centralis to provide a robust and tailored service when it comes to the management of their entities. From the establishment of a new entity to the implementation of financial transactions, our comprehensive range of corporate services includes:
