With a team of highly-driven specialists, we are able to offer the best outsourcing and cross-border structuring solutions across diversified areas of business expertise.

Our Values

We appreciate that you are looking for more than just a service provider. You need a partner with exemplary technical know-how, a can-do attitude, integrity and unrivalled communication skills. Centralis delivers all of this and more, providing tailored solutions to even the most demanding clients.

We are committed to building lasting relationships and with this in mind, take the time to understand your business and values. Each client is different and our flexible, individual approach, with dedicated points of contact, allows us to deliver personalised solutions every time.

Centralis Hungary

Centralis Hungary Kft is located in the vibrant capital of Budapest, the financial centre of Hungary. With its fast-growing, robust market economy and the continuing success of privatisation, Budapest consistently attracts international strategic investors who bring know-how, technology and best international practice.

Ideally situated at the gateway to Eastern and Central Europe, Hungary is an increasingly popular destination for international holding companies, as well as for intellectual property management structures for many well-known multinationals. Such corporations have recently established worldwide shared services' centres here.

With one of the most open economies in Eastern/Central Europe, Hungarian law offers a variety of tax and non-tax incentives in relation to capital investment.

Hungary boasts a young, well-educated and dynamic workforce, strong infrastructure and a wide range of tax treaty networks, all adding to its attraction as a popular jurisdiction for private equity funds, multinational corporates and financial institutions.

Treasury Outsourcing

By fully understanding your business needs, our corporate treasury specialists are committed to delivering efficient, customised solutions. Our experienced professionals take care of your front and back-office treasury activities, including:

- Cash and liquidity management
- Inter-company loan administration
- Netting
- Treasury accounting and reporting

With our in-depth treasury expertise, our bespoke services enable you to focus more on company strategic activities as operational treasury matters are removed from your day-to-day responsibilities.
